My philosophy is that every ceremony should reflect the story, heart and personality of the couple. So it can be as spiritual or secular as you are... as formal or laid back as you are... or as traditional or contemporary as you are.

It all begins with a free introductory meeting to let you determine if we are truly a good fit. Honestly, this meeting is best in person, but if you're planning your wedding from out of town – no worries. We can chat over the phone or via Skype/FaceTime. After our initial introduction, I'll offer a questionnaire to better help gauge your hopes and expectations before I arrange some sample drafts. Then we'll work one-on-two, to co-create a ceremony that is beautifully written and thoughtfully arranged with a warm and personalized feel, incorporating every special tradition or element you request.

My services always include but are not limited to:

- 1 face-to-face initial meeting
- Unlimited telephone & email consultations
- Wedding script handcrafted by me :)
- Rehearsal attendance
- Early pre-wedding arrival
- Ceremony performance
- License filing (mailed)

Packages:
